

**TURKISH JOURNAL OF FAMILY MEDICINE AND PRIMARY CARE (TJFMPC)
MANUSCRIPT AGREEMENT FORM**

As the authors of the article with following title

.....

.....

we are submitting our manuscript with an understanding that it is to be published and accept the following terms and conditions put forward by TJFMPC.

- All kind of copyright of the article belongs to TJFMPC Journal.
- All authors must sign the form in the order specified in the manuscript (The signature of correspondence author is mandatory in the form. In case of failure to obtain the signature of the other author/authors, the corresponding author assumes responsibility for all authors).
- article after submitted to the journal for evaluation, at any stage, other than the author's names and sequence specified in the publication rights form, any name cannot be added, deleted and cannot be changed in the rankings in the article.
- the article has been prepared in accordance with the rules of writing and publishing which journal noted.
- the article must be original, has not been published previously in domestic/abroad, in Turkish/foreign language or is not under evaluation for publication.
- Publication editor, at any stage of the scientific evaluation process of the article, if he/she deems necessary, may request the authors to change the desired publication category.
- Scientific, ethical and legal responsibility of the article belongs to the authors.
- In case the other authors cannot be reached; correspondence author accepts full responsibilities for all authors.
